Dear Parents

Our After-School Activities and Home-Play Program will begin this week on Tuesday 13\textsuperscript{th} and Thursday 15\textsuperscript{th} of March. Your child/children are welcome to attend on one or both days per week. Please read the following details to see if you are interested and return the permission slip below before your child begins to attend.

The program will run on Tuesday and Thursday afternoons each week from 3 pm to 4.15 pm in the following format:

- **3.00 to 3.15:** Visit toilet and hand-washing; healthy snack, fruit and water (provided by school).
- **3.15:** Games or physical activity
- **3.45 to 4.15:** Home-Play in Library
- **4.15** Students are collected by parents. (Older students may walk home with parent’s permission.)

The teachers who will be initially involved in the program are Margaret Vanderjagt and Russell Meehan. Other instructors may be employed depending on the program offered and number of children attending.

**Parents will be required to collect their children from the school at 4.15 pm.**

A variety of sporting and interest activities will be offered throughout the year, depending on facilities, equipment, interest of students and availability of instructors.

During wet weather indoor activities such as board games and relaxation exercises will be held.

It is expected that all students will attend with a positive attitude and good behaviour. Students who misbehave will not be allowed to attend.

Students will need to bring their Home-Play books and readers on these days. Please note students will also need to complete some Home Play activities at home as the time-frame for completion at school is limited.
